

RSA Membership Benefits

Education & Career Development

- Access to online educational resources, including the **AAEM Written Board Review Course**, **AAEM CME Online**, *Common Sense*, and a variety of **podcasts and webinars**.
- Medical students can sign-up for our free **Road to Match Mentorship Program**, which pairs students with a resident or attending mentor to guide them through the match process.
- Numerous opportunities to attend and present at our national and international conferences, including **Scientific Assembly**, the **Mediterranean Emergency Medicine Congress (MEMC)**, and the **World Academic Congress of Emergency Medicine**.
- Publish your articles in *Common Sense*, AAEM's official magazine, or in either of our peer-reviewed journals, the *Journal of Emergency Medicine* and *Western Journal of Emergency Medicine*.

Professional Growth & Networking

- Join one of **six** committees tailored to your niche interests: Advocacy, International, Education, Membership & Awards, Publications & Social Media, and Wellness.
- Free membership in any of the AAEM sections, like the **Critical Care Medicine Section (CCMS-AAEM)**, **Emergency Medical Services Section (EMSS-AAEM)**, and **Justice, Equity, Diversity, and Inclusion Section (JEDI-AAEM)**, which fosters professional community engagement and interaction with expert attendings.

Advocacy

- AAEM/RSA is *the* advocacy association for emergency medicine trainees by advocating for our practice environments, patient access to quality emergency care through education, and by elevating future leaders in emergency medicine.
- Residents and students have the opportunity to get involved in active legislative campaigns across the country in addition to learning more about legislative advocacy through legislators themselves during our annual **Health Policy in Emergency Medicine (HPEM) Symposium**.

Leadership & Involvement

- Opportunities to serve in leadership roles within AAEM/RSA, including on the **Medical Student Council** or the **Board of Directors**.
- Serve as a **Medical Student Ambassador** at our annual Scientific Assembly, which comes with a travel stipend for participating.
